Feel free to provide general feedback on this specific workshop session (optional).

Abby was patient and answered all of my questions.

ALL GOOD

Awesome APA clarifications

Clear examples, very knowledgeable. I liked how interactive the presenter was

Enjoyed the interactive slideshow with handout

Everything was great. The workshop made everything very clear.

Excellent citation and references

Excellent citation in references practice

Good presentation and liked how we did it ourselves to help us understand better

Good simple steps and activities for info I really needed help on.

Great energy! Good example (the prof's own work)

---

Great presentation, helped me learn about my own presentation skills that I didn't know I was doing wrong

---

Great tips

---

Great workshop

---

Great! Thank you! :) A reference to whether the PPT is available and where would allow me to focus more rather than note take.

---

Group talks and sharing together made it fun and helpful to know

---

had some real good information on presentation

---

helpful and short... gets to the point.

---

Helpful in providing resources I didnt know about

---

Helpful, learned a lot

---

Honestly I'd like it better if we were given something electronic, but that's just me.

---

I enjoyed the use of real testimonial from a live professor. Also thought it was interactive.

---

I feel by the time of your 1st hour of college, students should know how to do citations.

---

I feel much more confident in my speaking abilities

---

I learned a lot and enjoyed the speaker. made things interesting

---

I like the examples used and how we were shown things relating to us.

---

I liked the exercise.

---

I liked the worksheet.

---

I liked the workshop, however, I'd like more examples of evidence being used and even citation.

---

I love it

---

I loved the extra websites that were provided

---

I really liked the presenting on artifact activity because it allowed me to practice in front of an audience

---

I think she was great, she involved the audience alot which I liked

---

I thought Abby did a great job showing how to spot indirect evidence.

---

I was able to learn more about citations and beign able to do it on my own.

---

Informative

---

Informative info.
