Abigail Michelini

Feel free to provide general feedback on this specific workshop session (optional):

---

The document you provided for us to organize our sources will be very helpful, and I plan on putting it to use as I write my literature review.

---

This workshop provided me with a clear understanding on how to cite, and the workshop leader made it easy to understand and answered all of my questions.

---

Very informative

---

I'm glad we had this workshop. since for some reason I am not able to find the WMC so im glad I received the link for that.

---

The tips were very engaging and the presenter was super welcoming.

---

It was great and super helpful

---

Everything was clear

---

The literature review was not the best example to use. I felt like I did not have a clear representation of what I needed to do.

---

Good job!

---

it was straightforward

---

Great workshop with concise information!

She was very engaging!

---

Abigail was very thorough and clear. I really appreciated all she had to share with us!

---

This workshop was helpful because I learned how to design things.

---

It was really helpful

---

Good speaker, good presentation.

---

all information was very help and useful. I will be able to input this in my future resumes.

---

The examples were helpful as a visual learner. I think some kind of graphic organizer would benefit a lot of fellow students.

---

A olt of great info and cleared up areas of confusion

---

Great information!

---

The information was very useful.

Abigail did a great job in providing the Do's and Don't for a Cover Letter

---

Loved seeing all the examples

None

---

It was great it help me a lot with things I had trouble with. Like using commas and semicolons I have a better understanding of it now.

---

I think it was a very good presentation!

---

great

---

It was a very informative workshop session which allowed us to understand more of the variety of ways which we can write our Introduction as well as a review on how an introduction is usually written.

---

I liked how we reviewed from the very beginning and got some of our questions answered

---

I think that this workshop provided specific examples that helped me understand the difference that an introduction really makes to the overall intruduction of the essay.

---

great instruction very kind people

---

Abigail was very approachable and provided great feedback to those to asked questions.

---

The workshop was very helpful it provided me with good information about introduction paragraphs.

---

Such a beneficial workshop I definitely plan on using the handout in my future!

---

I enjoyed the workshop because it provided a greater understanding of how I write and how I should write within in a college course.

---

Great information and tips
