very cool and ways of teaching are very helpful

~~She~~ Ms. Michelini is one of the best teachers I've had in a very long time. I would definitely take another english class with her again. I'm doing pretty well in her class right now; when in the past I've gotten F's in english. That says something great about her as a teacher.

She is a great instructor that is really engaged with her students, and she is motivated to get us to us all the knowledge we are here looking for.

The class discussions were really effective, it is good to learn new perspectives on topics.

Ms. Michelini definitely teaches well and helps us to understand the topic. I enjoy what we do in class ~~regularly~~ often and I do look forward to coming to this class.

Excellent instructor for new students. Thanks.
